## ***Is God calling you to worship with us?***

No matter who you are or where you are on life's journey, you are welcome here. If you need a song or a prayer, know that we do too, and we show up on Sunday mornings to feel God's love flow through our little church and out into the world.

## ***Our Heritage***

The 1915 "History of Center

Harbor Congregational Church" recorded what our church founders proclaimed in 1838: "And so the congregation constructed just such a 'token of devotion' in the form of our traditional church building surrounded by a cozy New England village on the shore of beautiful Lake Winnepesaukee with its supporting cast of striking distant mountains."

Our Peace Pole proclaims our prayer for peace in eight different languages.

This outside meditation spot offers a quiet place for reflection and prayer.

## ***Who is Center Harbor Congregational Church?***

A vibrant, joyful congregation, our church family loves and values each other.

Our faith community is a force for caring and sharing God's love in our local and wider communities.

As members, we learn, grow, and serve together to do God's work with faith, compassion, and respect.

## Join Us in Worship!

Our worship service draws from our rich congregational heritage and UCC tradition. It is uplifting, sending us out to live the Christian message of love.

Communion is offered the first Sunday of the month. The bread is gluten free, vegan, and nut free and the cup contains gluten free grape juice so that all may partake together.

Our accomplished music director, Nancy Stamnas, has been with us for 25 years, leading our talented choir with her many gifts and filling our hearts with traditional and contemporary spiritual music.

## Our Children

Our preschool and elementary children gather with their families in the sanctuary for worship which includes a children's message, then follow their teachers to the Sunday School classrooms. (September thru May, except school holidays)

We offer many other children's ministries including UCC Church Camp at the Horton Center, baptism and confirmation, as well as our very own Village Preschool directed by Laura Curran.
